

ADVANCED **POLICE** TRAINING, LLC

CAPABILITY STATEMENT

CORE COMPETENCIES

Basic to Advanced Training in 22 different topics.

Advanced Police Training LLC is the premier provider of basic to advanced training. Our goal is to provide the very best in training, certification, and knowledge as it relates to real life situations. Because our quality control standards are high, our instructors are among the best in the business.

Advanced Police Training LLC has a competitive edge on its competitors due to the company NOT having the large amount of overhead that larger companies have. These companies have to push their large overhead cost onto the client. Because of the size of Advanced Police Training LLC we are also able to travel to the client if need be, or the client can come to our training facility.
